In pursuance of a deed of trust executed to me on the 22 July, 1850, by Alexander H. Crounwell, I will expose to public sale, on the 23d of October next, the tract of land known as the Thomas Williamson tract, consisting of 435 acres, situated in the county of Montgornery, near the Robertson county line, and all the personal property on the place, consisting of Horses, Mules, Cattle, Hoga, &c., Corn Fodder, &c.; the land on a credit of 1, 2 and 3 years, and the personal property, over \$20 worth, on a credit of one year; under that sum cash in hand.

I am informed the tract is one of the very best in the county, and exceedingly desirable for agricultural and manufacturing purposes.

The improvements consist of a substantial brick dwelling, rdl necessary out buildings, and an excellent Saw and Merchant Corn and Flouring Mill, on Sulphur Fork, a never failing stream of water that runs through one corner of the land. The land can be di-
